Independent Accountants' Review Report

To the Board of Directors
Bossier Arts Council
Bossier City, Louisiana

We have reviewed the accompanying financial statements of the Bossier Arts Council (a nonprofit organization), which comprise the statements of financial position as of June 30, 2022 and 2021, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Bossier Arts Council and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information included in the accompanying Schedule of Compensation, Benefits and Other Payments to Agency Head on page 15 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The supplemental information has been subjected to the review procedures applied in our review of the basic financial statements. We are not aware of any material modifications that should be made to the supplementary information. We have not audited the supplementary information and, accordingly, do not express an opinion on it.

Bossier Arts Council
Bossier City, Louisiana
Notes to Financial Statements
June 30, 2022 and 2021

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Bossier Arts Council (the Council) is a nonprofit corporation under the laws of the State of Louisiana. The Council is an organization of volunteers and professional staff, dedicated to promoting, supporting, and providing cultural events and programming of the highest possible quality in Bossier Parish. The Council encourages the development and growth of other arts organizations and individuals in order to enhance the quality of life and to develop a cultural identity for Bossier Parish.

B. Basis of Accounting

The financial statements of Bossier Arts Council have been prepared on the accrual basis of accounting.

C. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

D. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of the Council's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Council or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. The Council has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

E. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, Bossier Arts Council considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

F. Property and Equipment

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful life of each asset.

G. Contributions

Contributions received are recorded as increase in net assets without donor restrictions or net assets with donor restrictions depending on the existence and/or nature of any donor restrictions. When restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. In the absence of donor restrictions to the contrary, restrictions on contributions of property or equipment or on assets restricted to acquiring property or equipment expire when the property or equipment is placed in service.

H. Income Tax Status

Bossier Arts Council is a nonprofit organization exempt from Federal income tax under IRS Code Section 501 (c) (3) of the Internal Revenue Code and therefore, is not subject to income taxes. However, income from certain activities not directly related to Bossier Arts Council's tax-exempt purpose is subject to taxation as unrelated business income. Bossier Arts Council had no such income for this period. The Organization's Form 990, Return of Organization Exempt from Income Tax, for the years ended June 30, 2019, 2020, 2021, and 2022 are subject to examination by the IRS, generally three years after they were filed.

I. Functional Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Costs are directly charged to the function they benefit. Expenses are allocated to functions based upon management's equitable determination.

J. Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy are described as follows:

Level 1: quoted prices (unadjusted) for identical assets or liabilities in active markets that the Organization has the ability to access as of the measurement date.

Level 2: significant other observable inputs than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

(Continued)

Bossier Arts Council
Bossier City, Louisiana
Notes to Financial Statements
June 30, 2022 and 2021
(Continued)

Level 3: significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

(2) Concentrations of Credit Risk

Bossier Arts Council maintains cash balances at financial institution located in the Bossier City area. Accounts at that institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2022, total cash balances held at financial institutions was \$198,498, all of which was secured by FDIC insurance. At June 30, 2021, total cash balances held at financial institutions was \$204,964, all of which was secured by FDIC insurance.

The amount of loan forgiveness will be reduced if the borrower terminates employees or reduces salaries during the twenty-four week period. The amendments will not change the recognition and measurement requirements. ASU 2020-07 is effective for fiscal years beginning after June 15, 2021.
